# Everyone wants London to get better.

## Senior leaders, radical change programme to c.£96k

Now is your chance to spearhead Healthcare for London, a new organisation set up specifically to transform healthcare across the capital. Borne out of Lord Darzi's vision, HfL aims to radically reconfigure services by 2017, strictly in line with clinical excellence and through widespread public consultation and active partnerships with all 31 London PCTs and with NHS London. Don't miss this important opportunity to re-shape health outcomes for Londoners as a Head of Programme Office, Programme Development Lead, Finance Project Manager, Programme Manager, Project Manager or Project Officer.
